

REVIEW THE STORY: NOAH AND THE FLOOD

God told Noah to build a boat because he was going to send a flood. It rained for 40 days and 40 nights.

Noah had never seen rain. He stayed in the boat with his family and the animals until the waters went down.

Noah sent a dove to find dry land to see if it was safe to come out. Noah trusted in God even in the storm!

Bible Point: I can trust God will protect me.
